MFM Securities Trading Schedule

Last Updated : March 05

Please note that during March, there are no holidays that will impact the trading, and therefore MFM Securities will be operating under our normal trading schedule.

DST (Summer time) will start on the 8th March (Sunday) for United States. DST will start on the 29th March (Sunday) for Europe. FX, Commodities and Crypto CFDs will follow the US DST change.

Please take note that the trading times of the Indices **apart** from CHN50USD* and E35EUR** will follow the US DST change.

Please refer to the URL below for the DST and Non-DST trading times for each of the products.

Please be aware that the Single Stock CFDs trading times are listed in the local exchange trading times and are subject to local DST changes.

* CHN50USD is unaffected by DST

** E35EUR follows EU DST

Please note: In the event an underlying market closes or the liquidity available is deemed inadequate, the market for the affected instrument may experience wider than usual spreads or may temporarily close.
